

Portland Taiko: TaikoKinesis

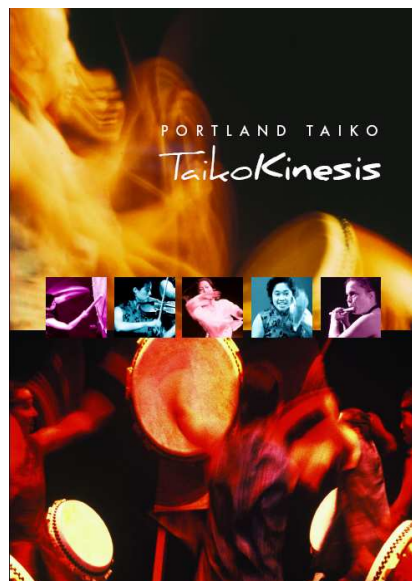

Experience the pounding drama, exuberance, and dynamic movement of Portland Taiko along with full 5.1 surround sound music. Drawing on live concert footage, special recording sessions, and rich, remixed sound, Portland Taiko's first-ever DVD shares the *big bang* of the ensemble's inimitable range and style, from the first heart-pounding beats of "Ha!" to the haunting melody of "Salmon Ghost" and the whirling athleticism of "TaikoKinesis." All-new special features provide behind-the-scenes looks at Portland Taiko, its history, community, and original compositions, including interviews with performers and community supporters.

Key Selling Points:

- DVD format allows audience to enjoy the full taiko experience, complete with choreography, costumes and lighting
